## **Fulton County Sheriff's Office Empowers Women through the Full Circle Salon 360 Program**

**Atlanta, GA** - The Fulton County Sheriff's Office is proud to announce the successful graduation of 20 participants from the Full Circle Salon 360 program. The graduation ceremony, held at the Atlanta City Detention Center, where Fulton County female inmates are housed, marked a significant milestone for the program's participants as they gained skills to embark on new opportunities in the beauty and cosmetology industry beyond incarceration.

Under the visionary leadership of Ms. Lorene Shields-Robinson, the Full Circle Salon 360 program is designed to empower women and men to reach their full potential. The program offers comprehensive training in makeup corrective application, preparation for the state board of cosmetology/barbering, and creative hair styling techniques. Additionally, participants receive invaluable life coaching skills, public speaking training, and mental mentorship to support their personal and professional development.

"Our program has proven to help reduce the return of incarceration by 25% out of 50% because participants have found this program to be a pipeline back into society with hopes of pursuing a continued education process, a path they started with Full Circle 360 of America," says Ms. Shields-Robinson.

A total of \$30,000 in scholarships were awarded to six of the women, presented by Josh Taves, Founder and CEO of Health and Style Institute, LLC.

"I am immensely proud of these women for their dedication and determination to make a positive impact in their lives," says Sheriff Patrick "Pat" Labat. "Having programs like this within our facilities are vital to the overall wellbeing of the women and men in our care and custody."
